Homecoming '82

As the spirit of homecoming filled the air, Steer fans awaited the announcement of Homecoming Queen. The stands were filled with excited G.H.S. exes, faculty and students. All wondered what the outcome of the game would be.

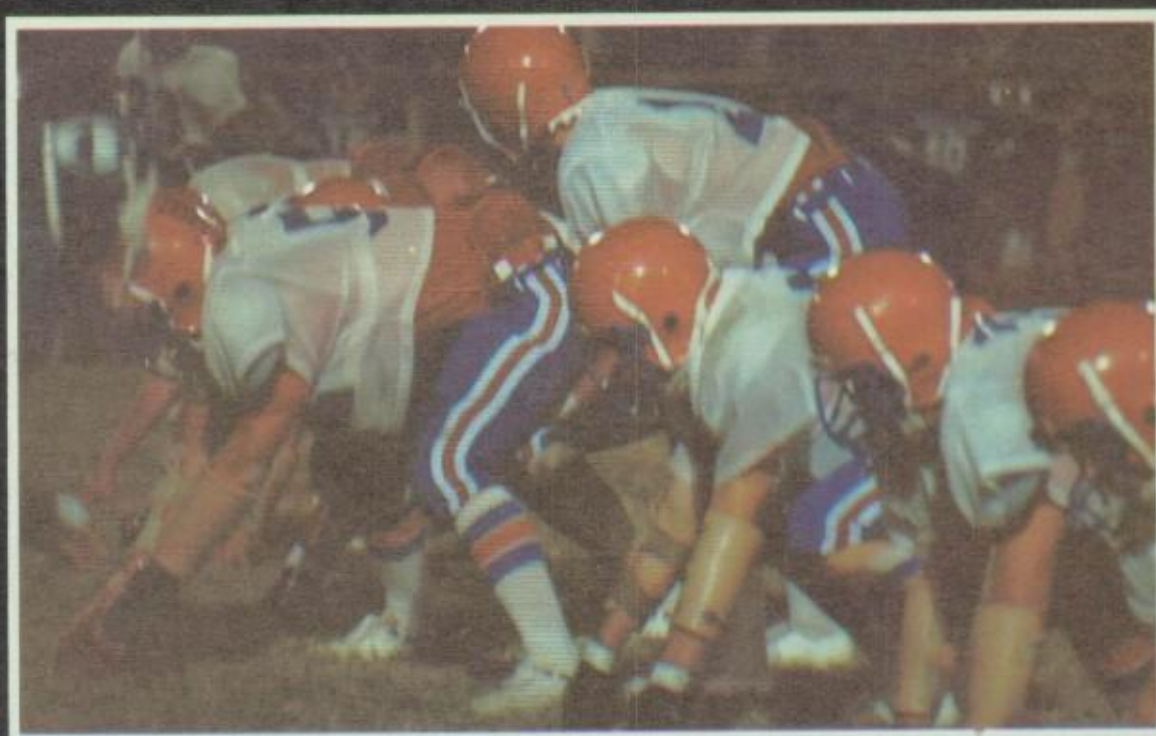

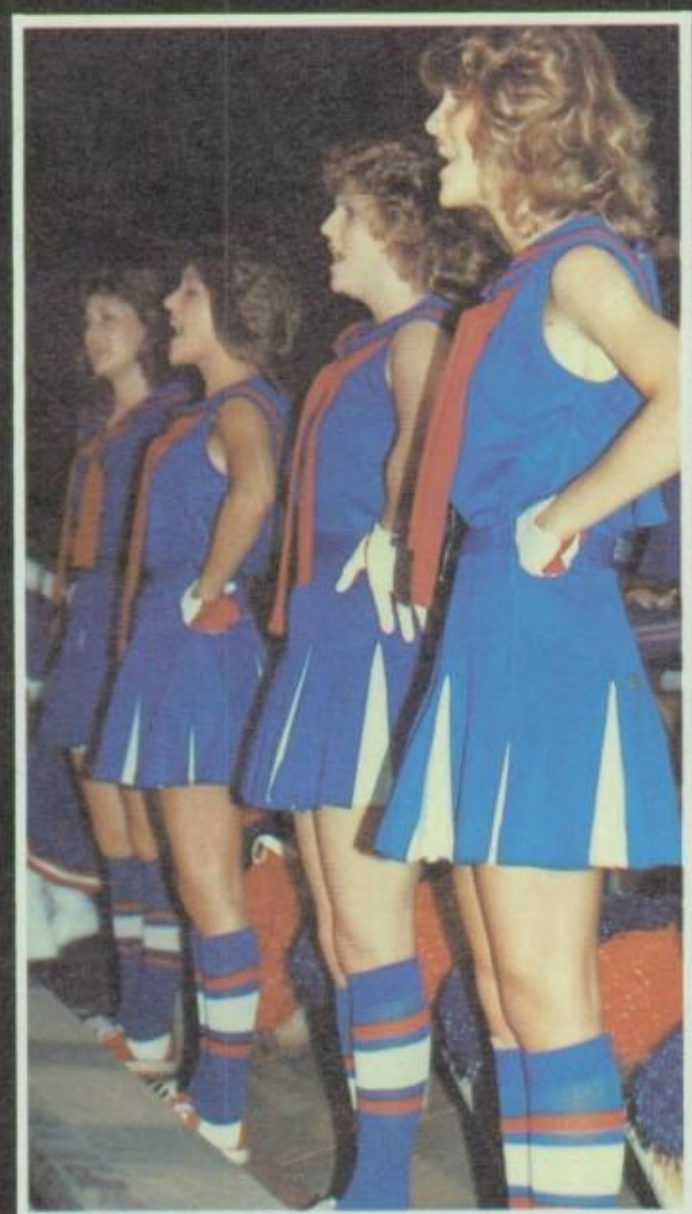

Victory!

Halftime brought us our Homecoming Queen, Wendy Golden. When asked who would win the game, Wendy said, "We will."

She was right. The Steers had a 14-6 win over the Bridgeport Bulls; the first homecoming victory in many years. This win made Homecoming '82 special to everybody.

The classrooms, the pep rallies, the hallways, the outside activities all provide a place for the student body to come together. With the com-

ing together comes laughter and good times. 1983 has been a fun filled year for the student body at G.H.S.

The Thespians hosted the 11th annual All American Girl Pageant on October 9th, 1982. This year's pageant was entitled *KALEIDOSCOPE*. The M.C.'s for this year's pageant were Stacy Hancock and Rodney Sims. All of the contestants and the cast worked very hard and presented a fantastic show. This year's winner was Miss Cindy Crews.

The Crucible

Working Together —

As spring rolls around, so do many activities. The drama class works on the one-act play. The cast was quite large this year. In order to have a good production, we had to have a lot of patience. We had to work hard. The play's success depended a lot on the actors' attitudes. We learned a lot by working so closely for so long. But, it was well worth it!

Mr. Zohn Milam

As principal of Graham High School, Mr. Milam is in close contact with the student body, the faculty, the board of education and the community. His concern is to make G.H.S. a place conducive to learning and growing; a place whereby instruction can be administered in an orderly manner; a place where the programs and new methods can be implemented; and a place where the leaders of tomorrow are prepared.

Mr. Jimmy Hogan

As assistant principal at Graham High School, Mr. Hogan is involved in the full spectrum of activities of the school. His dedication has made our school a better place for learning.

Garth Baker Serves for 44 Years

After forty-four years of continuous service to the Graham Independent School District, Mr. Garth Baker will retire at the end of the 1983 school year. Mr. Baker has served as classroom teacher, principal and superintendent during these past four decades. His presence will be missed in the educational element of our community. The 1983 *Steer* wishes him the best and *happy hunting*.

JV Has Great Winning Year

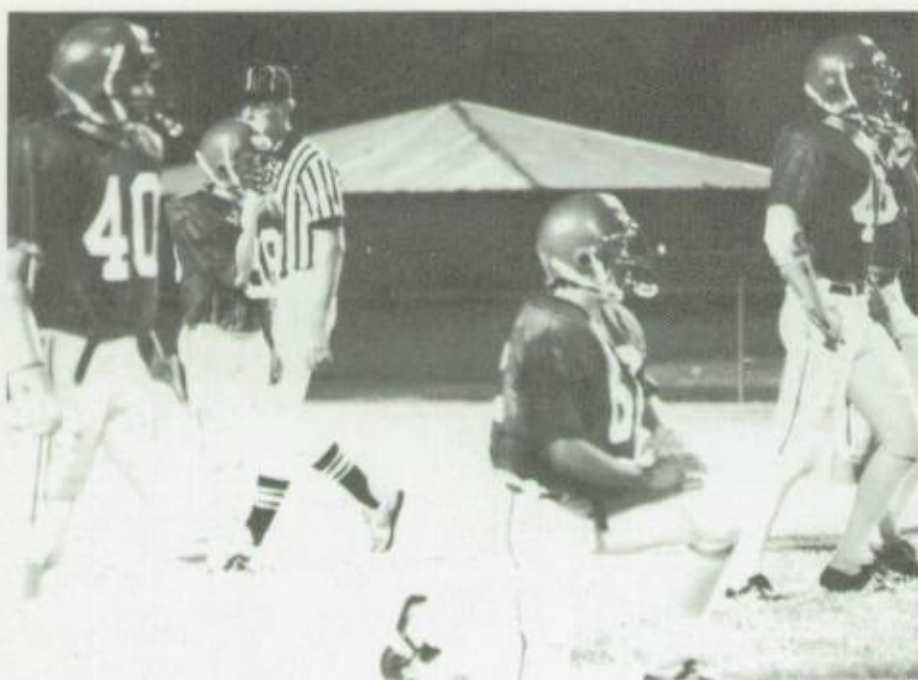

The Graham Steer Junior Varsity completed the 1982 season with a 4-3-1 record.

The JV personified itself as being a competitor and a fighter with great spirit.

As the team moves through the coming years at G.H.S. a winning season will follow their progress. The spirit of the JV is evident both on the playing field and within the halls of G.H.S.

'Lady Blues': Regional Runners-Up

The 'Lady Blues', 1982 volleyball season was the most successful season that a volleyball team has ever experienced at GHS. Under a new head coach and only two returning starters, they began to build their season with sophomores, juniors and two All-District Seniors.

The Lady Blues were undefeated in District play with a perfect 8-0 record. Julie Williams and Jeanna Beth Young were named unanimous 9-AAA-All-District players. The 'Lady Blues' advanced into the play-offs; defeating Wylie in Bi-District, Wills Point in Area and Whitehouse in the first round of the Regional Tournament. The 'Lady Blues' ended their season as the Regional Runners-Up with an 18-6 season; a season that seniors Julie Williams and Traci Mahan will remember for a long time and one the returning players will definitely want to duplicate.

It has been a long time since Graham has seen a team comparable to the 1983 Steer basketball team. At the time the *Steer* went to publication, the Steers were advancing to state play-offs at an awesome pace. Win, lose or draw, it has been the "winningest" season in many years. That's great Coach Gaylor! Greater, still, most of them will return in 1984.

The J.V. Lady Blues are a fighting team, and have been described by their coach as a team that "likes to foul a bunch." After starting the season with four straight losses, the team began to fight for their wins, and finished the season on an eight game winning streak, and a 10-6 season tally, placing first in the Jacksboro Tourney, and third in the District Tourney. They are a real good shooting club and have really come a long way.

Fish Shoot the Hoop

The Freshman Lady Blues enjoyed a successful season after getting off to a slow start. The girls progressed as each game was played, increasing their scoring and ball handling abilities. The girls won 1st in the Jacksboro Tourney and 2nd in the District Tourney, and had an overall record of 14-4. The girls have a lot of talent and should be a big asset to future GHS basketball.

Top Row: Rachel Young, Greta Slay, Jill Cash, Chris Walker, Christy Kurk and Coach Edmondson. Second Row: Marla Reedy, Tiffany Peterson, Mary Carole Street, Janie Hardcastle and Kim Lewis. Bottom Row: Rhonda Lovell, Elicia Sloan, Debbie Potts and Melinda Hays.

G.H.S. Track

Even before the mighty Steers completed the 1983 tremendous basketball season, the track team was beginning to practice in the chilly afternoons at Steer stadium. A record number of participants came out for the team this year. The highlight of the track season is the annual P.K. Tournament which is hosted by G.H.S. each year.

Coach Allen and Coach Scott look forward to a winning season with the 1983 team.

BASEBALL

Returning Seniors Rob Ward and Than McCracken

In the rush of last minute preparation that the seniors go through for graduation, these two guys took time out to play baseball for the Graham Steers. The Steers appreciate their time and school spirit.

As the 1983 season gets underway for the Steer baseball team, students, townspeople and parents view some baseball that might rival some college teams.

Baseball has long been heralded as the All-American sport. Armed with a coke and a hot dog, fans cheering the Steer nine would have to agree.

'83 Golfers

Cool spring weather did not deter the GHS golfers from putting in long hours of practice in preparation of the busy 1983 schedule.

The boys' team teed off February 28 hosting the P.K. Tournament. The girls had a few days of extra practice but got underway March 8 in Bridgeport.

Coach Jones is optimistic about the season, citing the return of senior lettermen and underclassman hopefuls.

Council Promotes Leadership

The purpose of Student Council is to develop leadership, promote citizenship, and to create a more harmonious relationship between students and students, students and faculty, and students and administration, and to encourage more participation in student activities in the school and community. The following list gives just a sampling of the many projects that the council participates in each year: Young Adults in Action, Safety Projects for School and Community, Christmas Gifts for Needy Children, Christmas Assemblies for Elementary Schools, Santa Claus Hostesses for Graham National Bank, Senior Citizens Olympiatics, and the Great American Smokeout.

Looking back, we remember all the fun times we've had at G.H.S. We think back on some of the things we've done, only to find ourselves amused at our own foolishness. We've been many places, seen many things, and learned many lessons.

We cannot, however, look back forever. As we glance into the future, we become aware of the many opportunities ahead of us. We realize how thankful we should be for the good times we've been allowed.

As we are remembered, we also want to pay tribute to those things and places which have given us much pleasure. The Senior Class of 1983 gives our regards to: The drag, Bunker, Buddies' parking lot, rock concerts, fishing in the spring, pep rallies, the lake dance, and last but not least: those faculty members who helped us GRADUATE!

memories

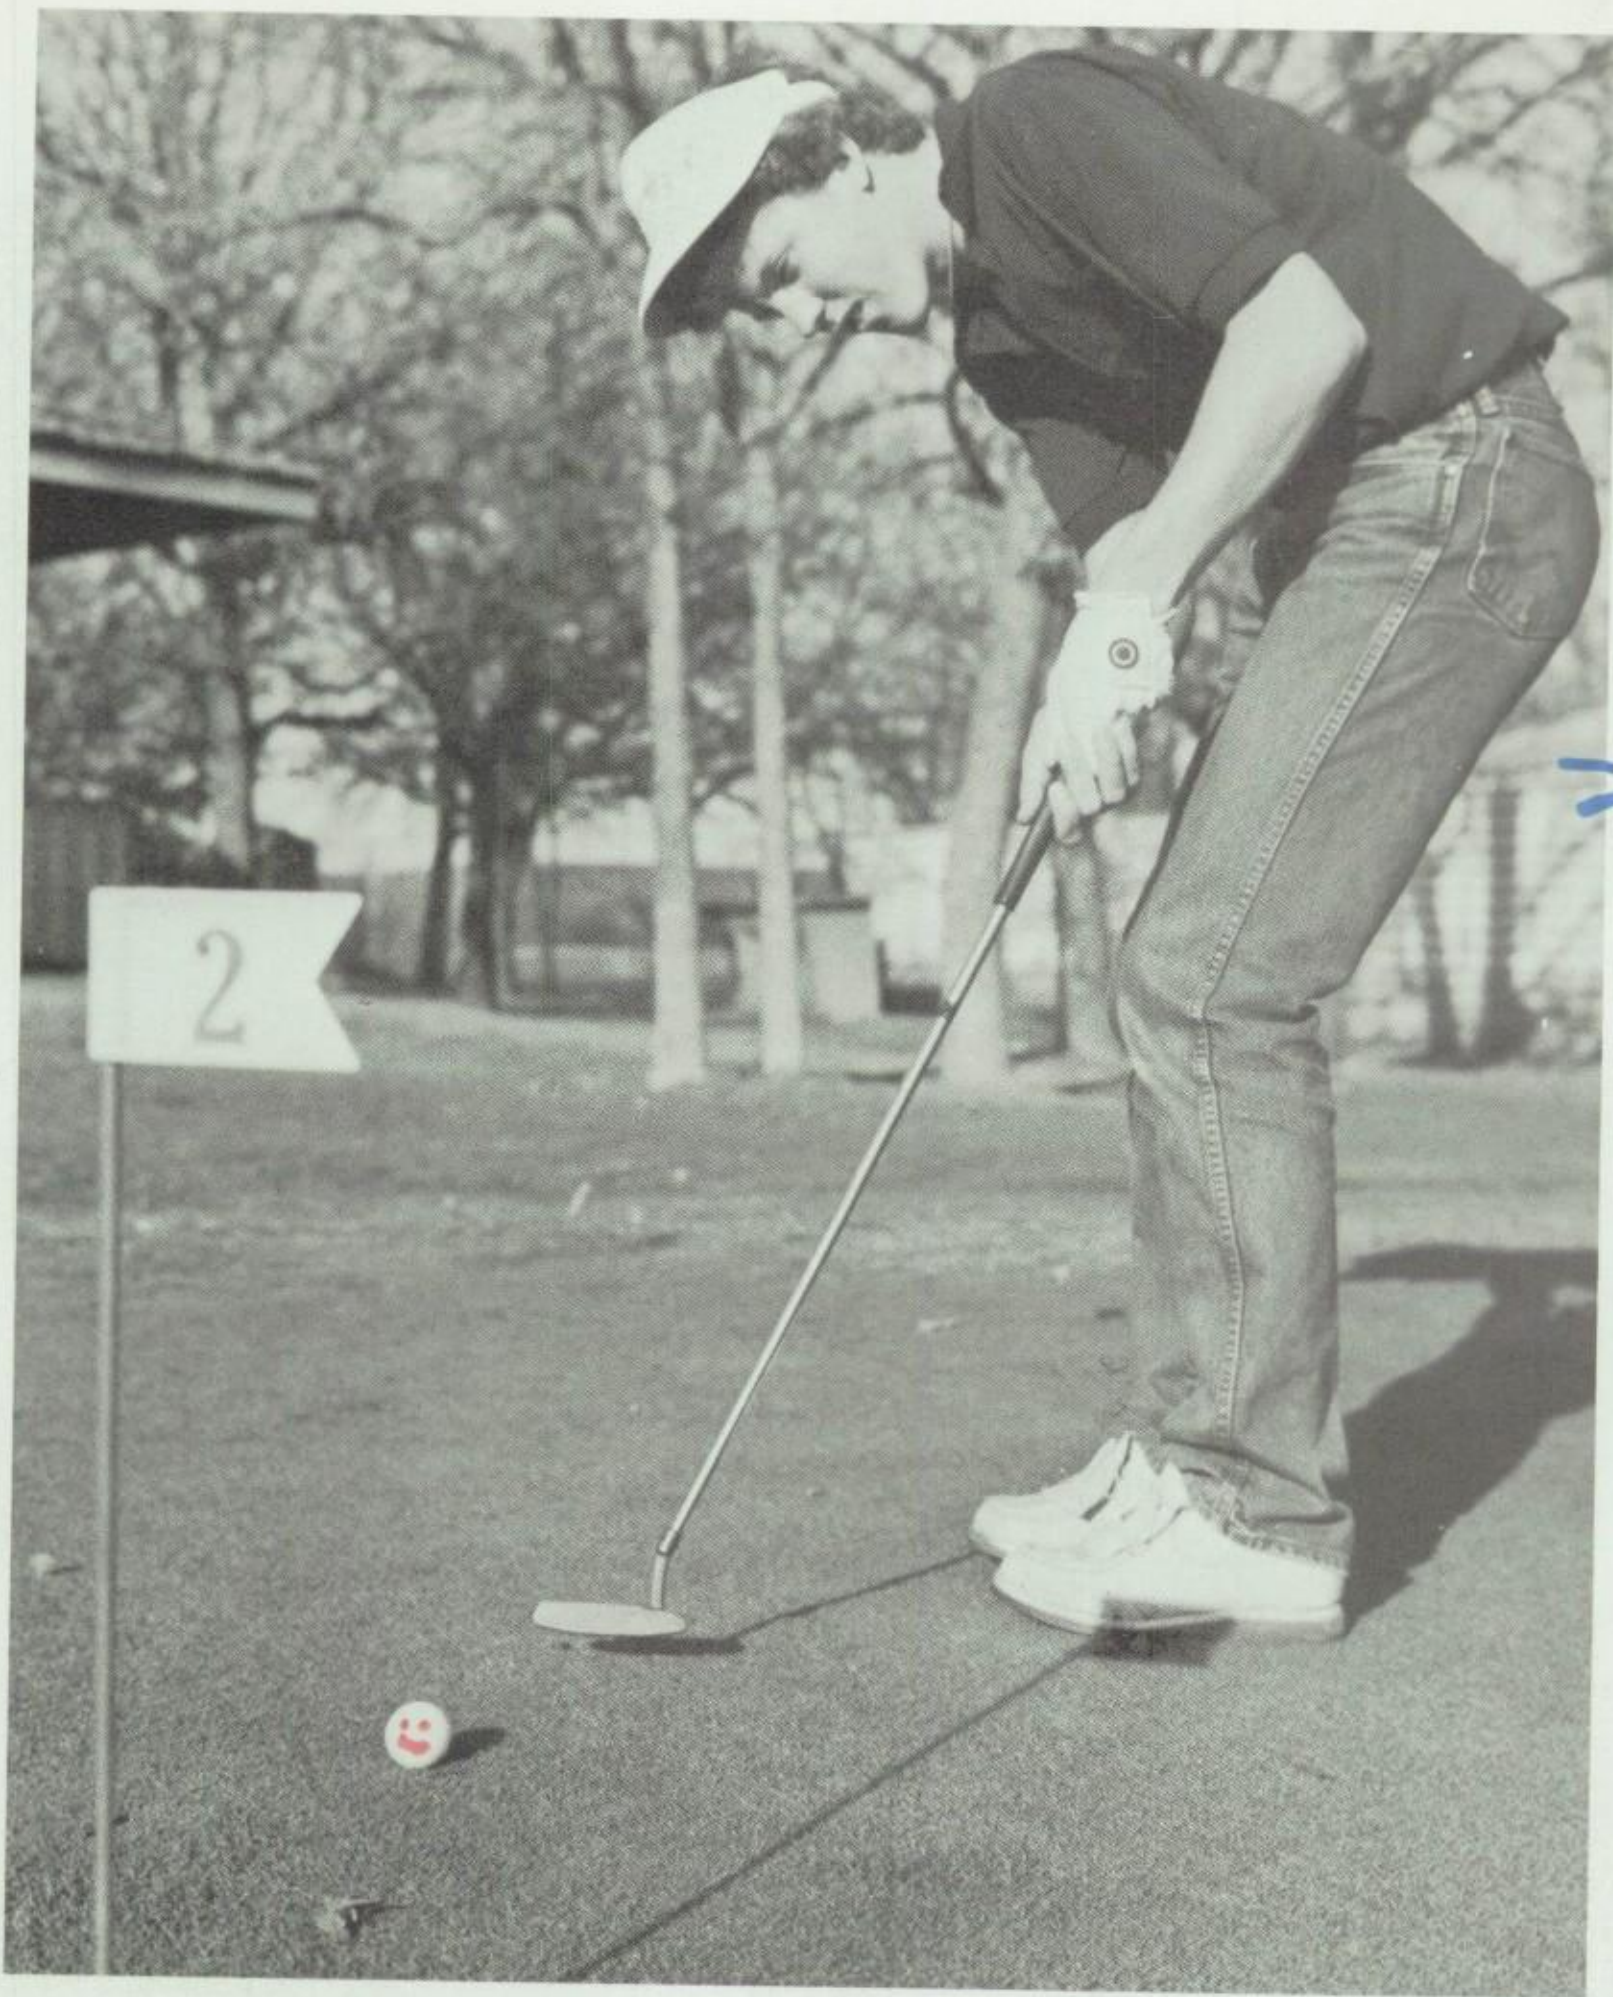

Remember . . .

1983

1. The huge crowds at Steer and Lady Blue basketball games.
2. The Lady Blue Volleyball Team!
3. Civics class.
4. Big Blue makes another II
5. Seniors of '83
6. Juniors get their class rings.

"Putting" it mildly, 1983 has been a year of changes, a year of growing, and a year of fun.

We hope that the '83 *Steer* has brought together some of the memories that will be treasured in the years to come.

Jeff:

It's been a lot of fun getting to know you this year. I must say that it has been interesting. Journalism was a whole new experience for me. Thanks for all that you taught me. We have lots of good times to look back on. I can't believe that we will never be in high school again. Sometimes it's sad. But, we can always look back on the fun times. I've enjoyed watching you become the person you are today. Of all the guy friends that I have, you're one of the most sincere and caring. You stay how you are and don't ever let any one abuse your good values.

God Bless you-

Love

Stacy

I'm really glad we've become so close. You'll never know how much you mean to me. I hope that in the future we can become closer. (I hope you won't get mad at me every 5 min.) I'm scared of you going off to college. I want you here with me instead of down there with all them girls. I hope we can have some great times this summer. (I know we can.) But going to the lake with you and you are always watching other girls. Well not this summer. You're going to be with me and not watching all those other girls. I hope you realize that you're not going to lose me for a long time. I hope you feel the same way about me as I do about you. I love you. You're a great person with a lot going for you. I wish you all the luck in the future. I glad I've got you and ~~some~~ not someone else.

— you know who I'm talking about. Thanks for everything you've done for me and for being there. I hope you will be there for me forever. I love you more than anything.

Love YA!
